SATO RINTARO

Master's student in Computer Science, Computer Vision

Email ◇ 310rnomeado@gmail.com
GitHub ◇ https://github.com/rintarooo LinkedIn ◇ https://www.linkedin.com/in/rintarooo

EDUCATION

Tsukuba University   *Apr 2021 - present*
Master's Program in Computer Science.   Overall GPA: -

Kyushu University   *Apr 2016 - Mar 2021*
Undergraduate Program in Mechanical Engineering.   Overall GPA: 3.31/4.00

PROJECTS

GitHub Notifier
This project aims at providing real time information of events from GitHub and notify you accordingly. The project is in ready-to-deployment stage on a demo server as a cron-job. The notification engine used for real time tracking is completely based on the python implementation assembled in an Android App with firebase cloud support.

TECHNICAL STRENGTHS

Languages	C, C++, Python, Java, C#
Technologies	MVC, HTML5, CSS, Latex
Tools	MikTex, Kile, Netbeans
Databases	MySql, Oracle, Sqlite, NoSql
Cloud Technologies	Firebase, AWS, Google Cloud
Version Control	Github

WORK EXPERIENCE

Reversible Alphabet Pvt. Ltd., India   Jun 2017 - Dec 2018
Data Scientist

· Created classification models for e-commerce websites using neural networks.
· Achieved exposure towards classification optimaization techniques for further specialization.
· Worked under an experenced Data Scientist and got deep insights related to optimization algorithms.

Irreversible Alphabet Pvt. Ltd., India   Jun 2016 - Dec 2016
Data Scientist

· Created classification models for e-commerce websites using neural networks.
· Achieved exposure towards classification optimaization techniques for further specialization.
· Worked under an experenced Data Scientist and got deep insights related to optimization algorithms.

ACADEMIC ACHIEVEMENTS

Project 'XYZ' won Best Project under Environmental Solver category under AICTE, Government of India

Recieved Scholarship For Higher Education(She) Component Under Inspire Scheme worth INR 4,00,000

Achived A Grade in Diploma in Computer Science from IBM

Won First Prize in Zonal technical quiz Competition Organized by IIT, Mumbai.

Recieved Scholarship For Higher Education(She) Component Under Inspire Scheme worth INR 4,00,000

Achived A Grade in Diploma in Computer Science from IBM

Won First Prize in Zonal technical quiz Competition Organized by IIT, Mumbai.

EXTRA-CIRRUCULAR

Attended a workshop on Machine Learning and artificial intelligence from faculties of IIT Roorkee in 2019 and won zonal round for the challenge presented.

Member of the Institute of Engineers since 2017.

Completed Basic Leadership Training under Project NSS, Gujarat

Attended a workshop on Machine Learning and artificial intelligence from faculties of IIT Roorkee in 2019 and won zonal round for the challenge presented.

Member of the Institute of Engineers since 2017.
